Irish American Community Center

The New Haven Gaelic Football & Hurling Club (NHGF&HC) had its beginnings in 1949 with a group of Irishmen who immigrated to this area after WWII. The club eventually purchased its present East Haven location in 1967. In 1984, the Irish American Community Center (IACC) was established to promote Irish culture through the education of its members in Irish history, literature, language, music and other traditions.

The IACC/NHGF&HC, jointly known as "The Gaelic Club," is located on Venice Place in East Haven near the Alling Memorial Golf Club. The community building has a large hall used for concerts, dancing, Irish theatre, and other activities and events. The club also has a lounge with a large TV screen and pool room. The rooms are equipped with cable TV, satellite, and video cassette capabilities.
